Class Name: Cardiff

Term : Autumn 1 2024

Funny faces and Fabulous Features

What we have been learning:

Some photos of our learning

All I can say is WOW! We are having the best time in Cardiff Class and everyone has settled so well. It has been a joy to see such smiling faces coming into school. We are all shattered, but we have achieved so much.

Circle Time has been incredible with everyone saying hello using the switch and selecting the symbol to show how they are feeling and the catchy weather song has us all swaying. Bucket time has been amazing to watch, the attention of everyone has truly flourished, so now we have moved on to stage 2, who knows what's next!

In phonics we have been using our listening skills to recognise familiar sounds to include farm animals and pets. We have counted to 10 in maths and matched colours too. We have practiced our fine motor skills through posting boxes, puzzles and hammering.

We have experienced lots of different fruits and even tried a few. We looked inside a gooey pumpkin, getting our hands all mushy and so much more...

Hydro has been sensational. Cardiff Class are definitely fish and dolphins.

The highlight though is seeing your children develop relationships with the adults, communicating and getting their needs met, absolutely priceless 😊

Important Dates:

Monday 4th November – Term 2 Starts
Thursday 14th November – Singing Hands
Thursday 28th November – Incontinence Clinic
Friday 29th November – Pastoral Event
Thursday 12th December – Family Festive Fun
