

# Classroom News

Class Name: Calshot

Term: Term 1 2024-2025

## What we have been doing this term:

## Some photos of us!

This term, Calshot Class dove into practical learning with Functional Skills in Maths and English, focusing on real-life applications. In Maths, we covered budgeting and value, while English lessons built confidence in reading and communication, fostering essential life skills.

Our P.E sessions have covered tag rugby, football, tennis, athletics, and circuits with great engagement from Calshot Class!

Cooking classes were another highlight, where students practiced skills for independence, such as measuring, chopping, and following simple everyday recipes. These sessions encouraged safe kitchen habits and boosted confidence for cooking at home.

We've started the year with some great work experience placements whilst also learning about life beyond Post 16 in class this term.

In our *Growing2gether* gardening group, students prepared the garden beds for winter, learning about weeding, sorting, and sustainable practices. Working together, they gained insight into nature's seasonal cycles and responsibility in maintaining a shared space.

Finally, we launched the Calshot Café, a student-led venture that offered experience in planning, customer service, and handling money. From organizing the café to serving our first customers on the last Friday of term, students have developed teamwork and communication skills, contributing to a welcoming environment.

It's been an exciting start to the term, and we're excited to build on these valuable experiences next term!

Wishing you a good half term,

Calshot Class

## Dates & Points to remember:

Last day of term: Friday 25<sup>th</sup> October  
First day back: Monday 4<sup>th</sup> November

Students will need their PE kit on Tuesday next term.
