Class Name: Danby Term: Autumn 2 2024-2025  
Topic: Models, Miniatures, and Make Believe

## What we have been doing this term:

Its been an exciting term in Danby Class!

In Reading, we have listened to and read many stories about bears and toys. We have practiced sequencing a story, and have been predicting what will happen in a story just by looking at the cover of the book.

In Maths, we have been counting by 5's and 10's, learning about coins, and reviewing addition and subtraction.

Our topic this term was about toys. Danby class learned all about toys from the past, and compared them to toys of today. We discussed what the toys were made from, and talked about our favourite toys. The adults in Danby class shared about the toys they played with as children. The students even sewed together their own bears!

Danby class also learned more about an American holiday, Thanksgiving, and then shared about their own family traditions. It was really exciting to learn about how we all celebrate our special days.

We made special Christmas Cakes for our families, and decorated the cakes and the boxes to give to our families. What an exciting term it was! We look forward to a great start to the new year in January.

## Some photos of us!

## Dates & Points to remember:

Last day of term: Thursday 19<sup>th</sup> December

First day back: Tuesday 7<sup>th</sup> January
