What we have been doing this term:

Some photos of us!

We've had a lovely half term in Oxford class with lots of opportunities to get out and about.

In English we have been reading all about the lives of 'good citizens' Greta Thunberg and Marcus Rashford. We read about them then wrote our own versions of their life stories using Clicker, a new software package which helps us with our spellings.

In maths we have been learning all about money, adding and subtracting amounts and being able to work out change. This ties in nicely with our PSHE topic about money sense where we have learnt about the various payment methods and about budgeting. In topic we finished our country research and presented our learning in a 'Country Showcase' where we invited in other classes to see what we have been learning.

In music we have been busy practicing for our Christmas performance.

In the World of Work, we have been learning all about CV writing and had a workshop from HealthReach about careers in the NHS.

In cooking and life skills, we have been reading recipes, making shopping lists, visited various supermarkets and made pumpkin pie, apple crumble and Christmas cake.

We have been lucky enough this term to have been out on trips to the cinema, McDonald's and the Inclusion Games in Maidenhead, where the students represented the school incredibly well.

Lastly, we welcomed Liz back after her operation. Liz will be back full time after Christmas. Thank you for all your support this term – I look forward to popping in and seeing how the class gets on next year!
