Class Name: Arundel

Term 2 2024-2025

What we have been doing this term:

Some photos of us!

I can't believe we're at the end of another term!

This term, we have been working on our turn-taking and teamwork skills through playing Monopoly Deal, Uno and Defenders of Mathematica.

We have worked really hard in our offsite visit to climbing. Everyone has shown great perseverance and determination and the progress in just a few weeks is fantastic!

In English, we have enjoyed using Once Upon a Picture. We make inferences and use our imagination to explore different pictures and write ideas inspired by them.

In maths, we have continued practising our place value and exploring different strategies for the four operations.

In Inside&Out, we have continued to explore the Zones of Regulations. We have learned about different perspectives and situations and how we may experience these. We have learned about our body signals and how we use these to check-in to identify our emotion and Zone.

We wish you all a very Merry Christmas and a Happy New Year!

Dates & Points to remember:

Last day of term: Thursday 19th December

First day back: Tuesday 7th January
