Class Name: Totnes

Term 2 2024-2025

Topic: I am a Citizen

What we have been doing this term:

Some photos of us!

We've had another busy and fun filled term and can't quite believe it's almost Christmas!

A couple of weeks ago we had the opportunity to go to the Inclusion Games in Maidenhead. This event was run by London Irish and the students were excellent at representing the school and having a go at the various sports.

In Maths, we have continued to work hard at developing our number skills and applying their knowledge to help problem solve. In English, we have practised reading/phonics skills on a daily basis and generated sentences in our lessons.

Alongside our LifeSkills Challenge, the students have used their knife skills to bake and cook recipes that could be replicated at home. In addition to this, they have used a range of electrical appliances in the kitchen to help build confidence.

In music we have been busy practicing for our Christmas performance. We were so very proud of the courage the students had to perform in front of parents and staff. They worked so hard for the past couple of weeks!!

In the World of Work, we have been learning all about CV writing and had a workshop from HealthReach about careers in the NHS.

Have a Merry Christmas!

Kieron, Helen, Tracy and Ellie

Dates & Points to remember:

Thursday 19th December - End of term.
Monday 6th January - INSET day
Tuesday 7th January - First day of Spring term 1.
Friday 14th February - Last day of Spring term 1.
