Class Name: Conisbrough

Term: 2 2024-2025

What we have been doing this term:

Some photos of us!

The end of an incredibly busy and positive term! Conisbrough class have spent a lot of time in the kitchen and are beginning to be more independent with what they cook. The class particularly enjoyed making rice pudding.

Dungeons and Dragons club has started running this term, led by Jonny and involving students and staff from all over the school. The students have been enthralled and are enjoying the opportunity to be creative and spend time with those from other classes.

As the older students in school, we are beginning to look more closely to the World of Work and considering skills and attributes suited to different jobs. It was fun to answer questionnaires to find the jobs students might be well suited to. They were quite accurate!

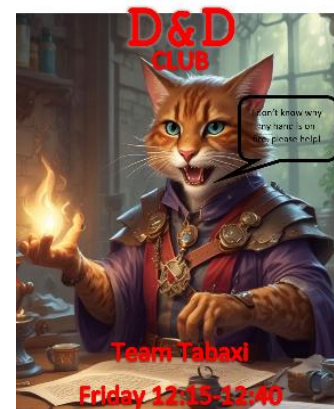

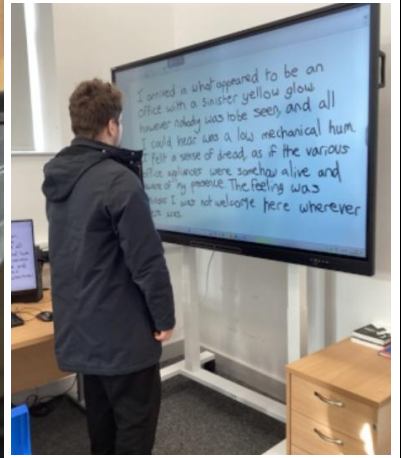

The class have also enjoyed their Friday DT sessions with B, they have been working hard on creating an array of pieces in varying mediums, from pop art style portraits to wooden tables.

Students have been spending a lot of time out in the community; every student has time allotted in their time-table to go out into the community to places such as: walking to the shops for cooking supplies, IKEA, Smelly Wellies, Earth Trust, climbing, RAW, Parkour, Post-16 or simply going for a walk and talk around Theale.

Finally, one of our students support the school production with their satge management, light and sound. The show was a resounding success and we are so proud of all those who took part behind the scenes as well as those on the stage. Working together was a fabulous. moving experience.

Have a very Merry Christmas!

*Conisbrough Team
Karín, Jonny, Jordan and Michelle*
