Class Name: Term:

Term 3 2024-2025

Topic:

What we have been doing this term:

This term our topic has been 'Fab Fashions'.

In our English lessons, we have looked at both letters and adverts and how they are structured. We all had a go at writing Jon a letter based around our school uniform and the advantages and disadvantages of having it. Next we looked at second hand clothes and how they may be sold on the internet. We then had a go at writing adverts for some of Kieron's clothes (I'm not sure how much money they would have made).

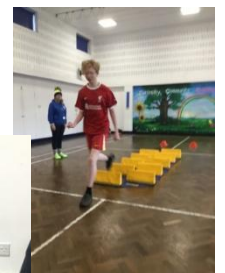

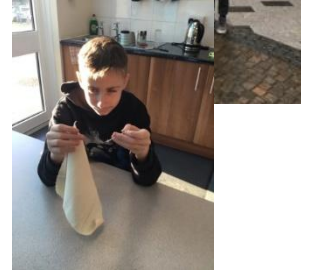

In Maths this term, we have focused on money and any functional problems around money. It has been great to see everyone become more confident with their money handling and coin recognition!

As part of our topic, we have gone out on a couple of trips to various shops around Newbury to explore how shops display their fashion. It was interesting to see how clothes can be similar in shops, but layouts very different!

We have been learning how to sew using hand sewing and a sewing machine. We have learnt how to create a running and backstitch using a needle and thread and also using different embroidery stitches on the sewing machine.

Finally, in our cooking sessions we have continued to develop our chopping and grating skills by making soup, cheese scones and a potato gratin!

Some photos of us!

Dates & Points to remember:

Last day of term: 14th February 2025

First day back: 24th February 2025
