

Classroom News

Class Name: Carisbrooke

Term: Term 3 2024-2025

Topic: Reduce, Reuse, Recycle

What we have been doing this term:

Some photos of us!

English

We have been working with Windsor class on a project with the book trust. We were able to visit Newbury library and were given 5 fantastic books to read and review. Each week we read a book as a group then write a book review to identify our favourite parts of the story. We will be visiting the library again to show our work.

Maths

Our focus this term has been measurement we have explored height, length, weight and capacity. The class have looked at different ways to measure items and how we can put them in order.

PSHE

This term we have been developing our work on feelings and emotions, we have started to apply our knowledge to our friendships within school and how we can work together to build kind and caring relationships with our peers.

PE

We have joined together with Portchester class for indoor athletics! The class have enjoyed javelin throwing, hurdles and races.

Community

We have enjoyed some walks around the local community and visiting the library. We will be visiting Newbury museum at the end of term.

Cooking

In cooking we have been working on our cutting and prep skills in the kitchen. We have made a fruit salad using lots of different shapes and used different types of knives and choppers to create a colourful coleslaw.

Art

We have been using our topic of reduce, reuse, recycle and have only been using recycled materials or scraps to create our artwork. The class made some beautiful jellyfish using recycled plastics and snakes for the lunar new year with recycled card.

Dates & Points to remember:

Last day of term: **Friday Feb 14th**

First day back: **Monday Feb 24th**
