

Classroom News

Class Name: Conisbrough

Term: 3 2024-2025

What we have been doing this term:

Conisbrough Class have been busy as usual both inside and outside the classroom. We learn so much when off-site, the outdoor learning is very important for us.

In maths and English, we regularly look at current affairs which leads to interesting discussions about the news in the world today. Everyone has been practising to gain Functional Skills qualifications and some have taken these formally this term in maths. Congratulations!

Students are beginning to consider their next steps and have been looking at possible career paths, different college settings and work experience. When they have been out on visits, they have been a credit to our school, polite, asking questions and have been great role models. One student has braved the working world for the first time. He worked in the café at Welford Park, cleaning tables and clearing dishes. The snowdrops there are wonderful at the moment.

Other pupils have visited Reading Bus Depot, with a guided tour of the buses and garages. They asked questions about the way the depot runs and discovered that 125 buses were out and about in Reading while we were there. Students continue to engaged with the care farm, (who surprised us with a new emu!) and continue to develop climbing, parkour and gymnastic skills, working well as a team.

As ever, cooking is one of everyone's favourite activities. On the menu this term were mini vegetable frittatas and jerk chicken!

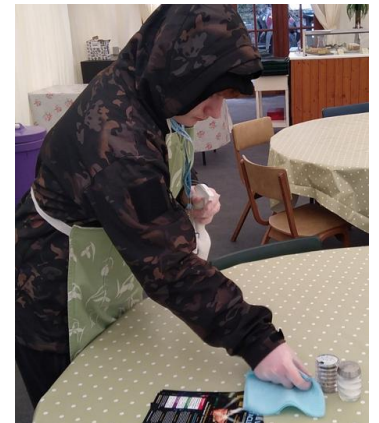

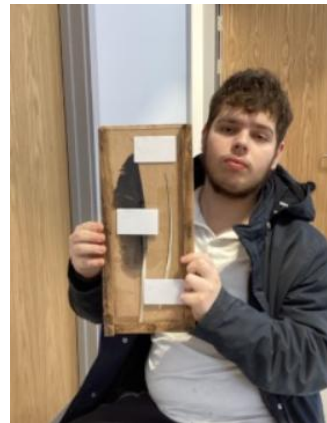

Have a marvellous half term holiday.

Conisbrough Team

Karin, Jonny, Lauren and Donna

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 14th February 2025

First day back: Monday 24th February 2025
