Class Name: Tiverton Term: Term 4 Topic: Reduce, Reuse, Recycle

What we have been doing this term:

In **maths** this term Tiverton have been learning all about money. We have learned how to add money, give change and relate money to our knowledge of place value. In **English** we have been working on our reading comprehension. We have practiced answering a range of questions, including literal, prediction and inference comprehension questions.

In **science** we have continued with our work on plants. We visited Thatcham Garden Centre where we took photos of a range of plants and identified these back in school. Each pupil also planted their own sunflower seed, and we have been watering them daily to ensure they grow.

In **World of Work (WoW)** we have been goal setting. We have discussed the difference between long-term and short-term goals and have set our own, including what we would like to achieve by the end of this year and future career goals.

In **geography** we have been learning about volcanoes. We have studied some infamous volcanoes, explored the human and environmental impacts of these eruptions, conducted a volcano experiment and even built our very own models.

Tiverton class have really enjoyed **PE** this term. We have been learning how to play basketball; developing skills such as the bounce pass, defending, attacking and shooting. We have also played a number of great class matches

In **PSHE** we have been learning about personal hygiene and puberty. We have discussed both the physical and emotional changes that occur as we grow and talked about who can support us during this time.

Tiverton have also experienced some brilliant **days out**, including our community litter pick, trip to the recycling centre, visit to the Museum of Natural History in Oxford and weekly shopping and park trips.

Have a wonderful Easter break everyone 😊

Some photos of us!

Dates & Points to remember:

Last day of term: Friday 4th April 2025

Shopping: Every Monday morning

Park: Every Friday afternoon

First day back: Tuesday 22nd April 2025
