Class Name: Calshot

Term 4 2024-2025

Topic: Fashion

## What we have been doing this term:

We started this term with celebrating pancake day by making pancakes in cooking. We celebrated World Book day by visiting Tesco's to choose our World Book Day book using our book voucher. In Topic we have been looking at fashion, and in particular what 'fast fashion' is and what we can do to avoid it. We have looked at what fashion means to us and then found out where our clothes come from by reading the labels. We then visited Cancer Research to choose an item of clothing to upcycle. We experimented with hand sewing, using a sewing machine, ironing and using fabric paints. Watch this space for our finished articles! In Maths we have been focusing on money and being able to add coins and notes together to make amounts. In English we researched the lives of different fashion designers, wrote an email of complaint about a faulty clothing item and are now looking at how we can advertise the clothing item that we have upcycled. As always, GO afternoon proves a great success with students able to choose options such as pamper, photography/out in nature and anime drawing. We enjoyed a trip to the cinema to see Kensuke's Kingdom, a visit to Dinton Pastures, a Table Cricket Tournament in Maidenhead and lots of really successful work experience placements – what a busy half term it has been!

Have a lovely Easter!

Karen, Helen, Rachel, Lisa and Lorraine
