Class Name: Blaise

Term: Spring 2 Term 4 2024-2025

Topic: Happily Ever After

## What we have been doing this term:

We have squeezed so much creativity into this term with; Pancake day, Mother's Day, Easter, St Patricks Day and St Georges Day on top of our story, Jack and the Beanstalk and an exciting visit to Winchester Science Museum.

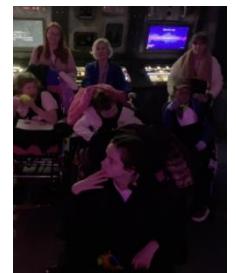

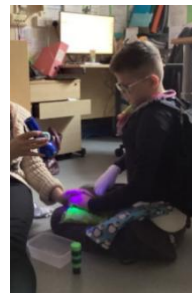

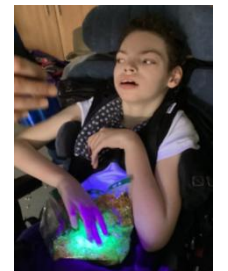

With a focus on magic, we went on an adventure up into the sky having fun with thunder clouds and UV beans. The pupils also had a try at sorting two items from our sensory story to indicate what came first. The Students then all chose a scent, a colour and a 'bean' to mix together to make sensory shakers that glow under UV light. They also made Baked Bean and cheese muffins and, for pancake day, we decided to take the work out of the cooking for our parents by making the batter using a switch activated whisk. We then indicated what we thought our parents would like on theirs, most of us knew our mum's very well!

For St George's day they made fire breathing dragons and for St. Patrick's day they explored and printed with green peppers. Mother's day allowed for some mess-free colour mixing by choosing paints and then decorating cupcake cases with them under Clingfilm to make flower petals for our cards, and we then made some thumb-print love-heart cookies with jam for them.

To prepare for Easter we will be making macaroon nests filled with chocolate eggs for our families. All of this was on top of lots of giant-themed passive dancing, Magic themed mindfulness VI sessions, Hydro and Rebound, where we have been encouraging choice making and opinion sharing with various communication systems.

All in, I think you will agree, it's been a very busy term!

## Some photos of us!

## Dates & Points to remember:

Last day of term: Friday 4<sup>th</sup> April  
First day back: Tuesday 22<sup>nd</sup> April

Unfortunately we have been informed that our trip to see 'The Elmer Adventure' in May at the Corn Exchange has been cancelled. We will be looking in to an alternative trip – watch this space.
