Class Name: Conway Term: Spring 2 2025 Theme: Once Upon a Time

## What we have been learning

Some photos of us!

What a fabulous half term we have had! We started with preparing for our trip to the Pet Shop. The children loved being on the bus and were amazing in the Pet Shop – we saw all sorts of pets! We're looking forward to planning more trips out in the local area soon.

We then started our topic - Once Upon a Time.

We have enjoyed many activities based on Goldilocks & the Three Bears and Jack & the Beanstalk.

In English we have been matching pictures to pictures as well as communicating a choice from a small selection of options. Some of us have been labelling the characters from the traditional tales and sequencing the story. We also really enjoyed looking at the members of our own families and talking about them.

In Maths we have explored size and height. We got to grips with big and small and used language to compare sizes. We have also used beanstalks and giants to explore height and used the words short and tall. Some of us began to use comparative language to talk about what they could see.

We have continued with Hydro on a Friday and this has again been successful. The children are becoming so confident during their time in the water.

We have also been continuing to transition the children to different locations within school. They are doing an amazing job!

We're so proud of Conway Class and look forward to see what the Summer term brings! Our next topic is 'Bugs Life' which will involve more stories, transitioning and exploring of our local environment.

We hope you have a wonderful Easter break! Catherine, Emma, Nikki, Sarah and Amber
