Class Name: Pembroke

Term: Term 4 2024-2025

Topic: Happily Ever After

What we have been doing this term:

We have had the most wonderful term in Pembroke class!

Towards the start of our term we kicked off our topic of 'Happily Ever After' by going to the Corn Exchange theatre to watch the Gruffalo. This was a highlight for the children and staff and when they see photos of the day they still smile and or talk to us about it! Hopefully, we will be able to get out and about to see another show before the end of year!

As part of the topic 'Happily Ever After', we have had a book of the week each week. The children have engaged so highly with all of these and many have favourites that they will now reach for on the book shelf and read independently or chose to read with a friend or an adult! This love of reading has also stemmed quite a lot of drama where we have been using masks, items of clothing and props to recreate each of the stories! This high level of engagement has also been replicated in our bucket sessions!

This term, we have been celebrating some key events including Pancake Day. This was a wonderful opportunity for children to make, decorate and eat their own pancakes whilst also trying some new foods!

As Pembroke class, we have been continuing to develop our transitioning skills. We have been off around the track, over to the other field and other playground, had a little walk to look at the construction site and many more including our trip to the theatre!

The children have continued to blow me away with all that they are achieving and I can't wait to see what the Summer term brings for us all! Our next topic is 'Bugs Life' and this will involve lots more stories, transitioning and exploring of our surrounding places!

Some photos of us!
