Class Name: Wallingford

Term : Spring Term 2 2025

What we have been learning

This term has whizzed by and we have really enjoyed seeing Spring arrive. Brighter, warmer and drier days mean Wallingford can get out and about in the community a lot more. This half term we have continued to practice independent ordering of food and drinks from cafes. Last week everyone ordered a breakfast independently using visuals or AAC devices if they needed to, then went on to get their own drinks at the self-service machines. This was a really proud moment for the team to see.

We have really enjoyed the theme of 'Once upon a Time' and have explored some of the favourite stories within the class. Our learning on the Tiger Who Came to Tea ended with Wallingford laying on a tea for staff at Post 16. For world book day we popped into town to spend our book tokens at WHSmiths. Everyone looked through the options of the £1 books and chose one they would like, paying independently at the till using their tokens. During our learning about Jack and the Beanstalk we took the opportunity to get in all of our seeds to look after and develop during the summer term. The green house is now overflowing with seedlings to grow into flowers, herbs and vegetables.
