

# Classroom News

Class Name: Thornbury

Term: Term 4 2024-2025

Topic: Climate Change

## What we have been doing this term:

## Some photos of us!

Thornbury have had a very busy term!

In English, we have learnt about poetry and the different techniques poets use. In Maths, we have explored probability or negative numbers. In Science, we have investigated forces or respiration.

We have cooked some delicious meals such as a tart (making our own pastry) and vegetarian cottage pie. In History, we have explored the British Empire and in Geography we tackled the idea of climate change. We have spent time bonding as a class too, playing the Wii and doing lots of quizzes! We have worked together to start making our garden look beautiful too in our DT sessions.

### Our Highlights:

**Jack:** Working on my DT planter and playing D&D.

**Hugo:** Smelly Wellies, DT, exercise in school, park and playing board games.

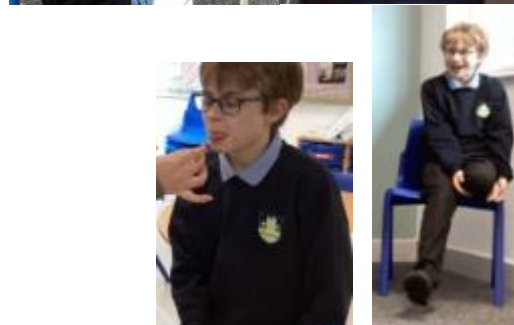

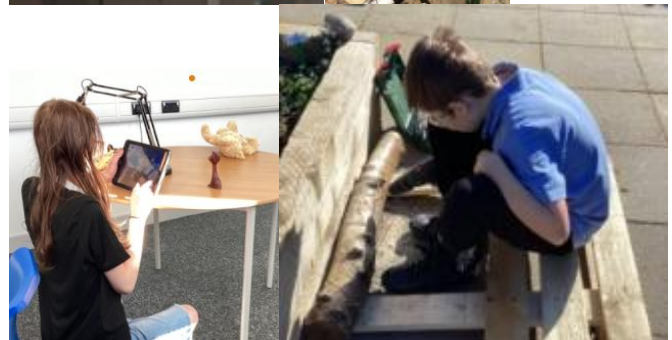

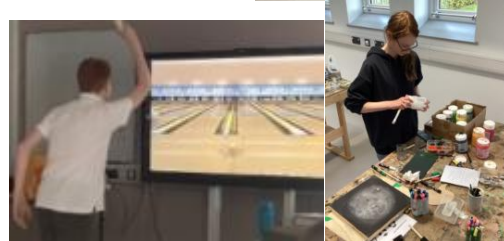

**Bly:** Having such a lovely teacher.

**Tia:** D&D Club, sailing and DT

**Sawyer:** Going climbing on a Monday and cooking pasta.

**Fergus:** German and Parkour.

**Thomas:** Gardening in DT.

## Dates & Points to remember:

Last day of term: 4<sup>th</sup> April

First day back: 22<sup>nd</sup> April
