Some photos of us!

A big Hello from Conway class.

This term we have been very busy with lots of activities and days to celebrate.

Our new food tasting sessions this term has provided six different foods each week to explore, touch, smell or taste. Some great and brave efforts from the class!

Our adventure sessions this term have covered different elements of our 'build it up' topic that has incorporated our maths and English and communication skills.

As the weather has improved (slightly), we have been able to take learning outside again which has helped expanding our exercise sessions.

MakeSense Theatre has provided a new and exciting story 'The Dream Emporium' that has captured a calming essence through music and drama.

Our topic this term has also seen some fabulous art work, which has brightened up our corridor.

We hope you have a good break,

Conway Class
