

Classroom News

Class Name: Pembroke

Term : Summer 1 2024

What we have been learning:

Our topic this term has been 'Dig It Up'. The children have enjoyed exploring natural materials through our story 'We're Going on a Bear Hunt'.

The children have really enjoyed acting out the story and retelling it in their own words.

In Maths we have been comparing length and weight, as well as looking at capacity. We talked about whether something is full, half full, or empty.

In English we have been listening to the initial sounds in words and matching them to pictures. We've also been practising our mark making. The children are showing lots of enthusiasm for reading stories and making sentences about pictures.

Pembroke Class are still working really hard to take turns with their friends. Through weekly games sessions, the children are getting more confident with this!

Tuesdays are now our days for trips out. We have walked down to Donington Park and Shaw Park so far and the children have done so well with transitioning to and from school.

Well done Pembroke Class, you have worked really hard this term!

Dates to remember:

Friday 24th April – Last Day of Term

Monday 3rd June – Summer Term Starts

Sunday 16th June – Father's Day

Tuesday 9th July – Paulton's Park Trip
