Class Name: Carisbrooke Term: Summer 1

Topic: What's On Your Plate

What we have been learning this term:

Our new topic this term is 'What's On Your Plate'. We are learning so much, but here is just an overview of some of what we have been up to!

English: Two books this term, *The Lighthouse Keepers Lunch* and *The Gigantic Turnip*, so we have been making predictions, creating characters, asking and answering questions and writing disgusting recipes too.

Maths: Money, Money, Money, we have been adding, subtracting and calculating the change too, now to put into practice out in the community.

Problem Solving and Thinking: Who knew our teeth and digestive system could be so fascinating. We have learnt about the importance of dental hygiene and what happens to our food for example.

Life Lessons: The importance of sleep, exercise and a healthy diet has been the main focus. However we have also learnt about substances that can harm our bodies too.

The World I Live In: We have learnt all about food miles, how food is grown and how it is important to shop local too.

ASDAN: We have managed to complete three challenges now: 'Looking after pets', 'Cleaning our homes' and 'Staying Safe Online' which is amazing. Next we have 'Participating in Garden Activities' and 'Using Makaton'.

Communication: We have enjoyed learning about eating fruit and vegetables, trying them, preparing them, then designing and creating our own fruit or vegetable salad.

PE: How lucky are we, to be offer the chance of Tennis Coaching once a week on a Thursday in Chieveley.

Our Star Moments!

Time now to share some golden moments this term from Carisbrooke:

Luke: Amazing money maths this term, sharing how much you already knew with us all 😊

Katie: Watching you join in Yoga with Jacob every Monday is a highlight of the week, you are just so relaxed 😊

Ollie: We are so proud of you on trips Ollie, we have visited the train station, been to Post-16 and tennis, this is totally awesome 😊

Immy: Your reading has blossomed this term, hearing you read is beautiful and your phonics is pretty fabulous too 😊

Selina: Yet again, you have wow us with your knowledge and your confidence in sharing this with the class 😊

Johney: We have loved to see your sense of humour shine this term, taking a joke from us and then ensuring the joke is on us too 😊

Tyler: You continue to be very sneaky in maths, keeping the answer to yourself, even pretending that you don't know, making me wait for the answer, brilliant 😊

Ryland: I am so impressed watching you at the Care Home and you have now expressed this is a job you would like. This is amazing 😊

Harry: Seeing how independent you are becoming is simply amazing and your enthusiasm for learning is wonderful 😊

Isla: You may have only just joined Carisbrooke, but wow you have been an absolute star and it is as if you have been with us forever 😊

Some photos of us!
