Class Name: Danby

Term: Term 6

Topic: What's on your plate?

## What we have been doing this term:

## Some photos of us!

Danby have had an absolutely wonderful final term and it has been an absolute pleasure to get to teach such a brilliant class of young people.

In maths this term we have been recapping all the topics we have learned this academic year and applying our knowledge to practical, real-life situations. In English we have been looking at instruction writing and sequencing (via making playdough, which has been fun!)

We have also been out on many trips this term, including Youlbury, where we took part in abseiling, archery and crate stacking, as well as Paultons Park. We have had so much fun going off-site together. All pupils listen well to adults and are incredibly safe and sensible by the roadside.

As part of our life skills lessons we have looked out how to lay a table for guests, wash and dry our clothes, tie shoelaces and make beds.

Overall, this year has been nothing short of amazing. Every young person in Danby class has excelled and grown in their independence and confidence. Wonderful friendships have been formed and unforgettable memories made. Thank you to everyone!

Have a lovely summer holidays and we look forward to welcoming everyone back to school in September.
