Class Name: Totnes

Term 6 2023-2024

What we have been doing this term:

Some photos of us!

What a busy final term of the year we have had!

In Cooking, we have continued to practice our cooking skills in the kitchen. We have baked fairy cakes, made a lemon cheesecake and a shredded wheat loaf. As well as sweet dishes, we have marinated chicken wings, made egg fried rice, cheesy pasta and a tomato pasta dish.

We've had a busy term with regards to trips. Firstly, we went to Engelfield estate and explored all of the different areas on the estate. We found out that many different Hollywood films have been filmed at the house. We also had talks from beekeepers and local bat enthusiasts.

As a whole school, we managed to spend the day at Paultons Park. As a class, we went on Cobra, Stormchaser, Magma, The Velociraptor and Flight of the Pterosaur. It was brilliant to see everyone have lots of fun regardless of the wet weather.

As a class, they did fantastically well performing Come Together at the Bandstand in front of different classes and parents.

Last Friday, we went to Cotswold Beach and managed to have some sunshine. Some of the students went paddling in the lake and buried each other in the sand!

The class enjoyed a fun class read this term called Charlie Changes into a Chicken. Lots of silly adventures based around a child dealing with anxieties and changing into various different animals.

It's been an absolute pleasure teaching Totnes Class this year! I hope everybody has a great Summer Holiday!

Dates & Points to remember:

Last day of term: Wednesday 24th July 2024

First day back: Thursday 5th September 2024
