

Classroom News

Class Name: Pembroke

Term : Summer 2 2024

What we have been learning:

What a fabulous final term we have had in Pembroke Class - we could not be prouder of how much the children have developed this year both individually and as a group.

Our topic this term has been Houses and Homes. We used The Three Little Pigs as a hook into this which the children have thoroughly enjoyed. We've had fun taking part in a sensory story and used different materials to build houses.

In Maths we have revisited some of the aspects we have covered throughout the year, in particular 2D shape and 1:1 correspondence.

In English we have had a go at retelling the story of The Three Little Pigs and made lists of things we might need to build a house if we were one of the pigs.

We have continued with our trips out in the local area this term. We particularly enjoyed our lunch at The Dome Café in Basingstoke!

Our final trip of the year to Paultons Park was an absolute triumph. It was wonderful to see the whole class have such a fantastic time despite the wet weather! The children were absolute superstars!

Thank you for all of your support this year, you have all been fab parents to work with! We hope you have a wonderful summer.

Catherine and the Pembroke Team

Dates to remember:

Wednesday 24th July – Last Day of Term

Thursday 5th September – Back to school
