

# Classroom News

Class Name: Windsor

Term: Term 6 2023-2024

Topic: What's on your Plate

## What we have been doing this term:

## Some photos of us!

We have continued to write and talk about our trips and experiences this term. We use switches, communication aids, Makaton and our voices, to communicate. This term we have been visiting Wallingford class, at Post 16, for our transition and social skills. Students have been enjoying spending time with friends from Post 16, and some people have been able to pay for their lunch at the college. Students enjoyed being together to use the sensory room, and other activities. We all had lunch in the Post 16 common area, so we could talk to everyone. Year 11, of course had a great time at prom!

We have had some really special days this term, especially our trip to Paulton's park. It was wonderful to see everyone so excited to go on the rides. It was lovely to see other people from school, and to have lunch with them.

We had a great morning at Sports day, even if it was shorter than planned. Students all joined in with the field activities and did an Olympic parade. Windsor class have been comparing weight and height in maths this term. We have also been practicing our money skills in our snack shop lessons. We have also been working on measuring weight in our cooking lessons.

In cooking lessons, we made Shamrock biscuits for our sports day snack, made ice lollies and hot chocolate, and party food for the end of term. We have been working on following instructions.

In PSHE, we been learning about different ways to relax and have enjoyed bubbles, story massage and stories.

We hope you have a lovely Summer holiday. We look forward to welcoming some of you back in September in Windsor or Pendennis, and wish year 11 all the best at Post 16. We will still see lots of you during GO afternoon, and choir.

**Dates & Points to remember:**

End of term –Thursday 24<sup>th</sup> July

Start of Autumn term 1 – Thursday 5<sup>th</sup> September
