Class Name: Blaise

Term 6 2023-2024

Topic: Houses and homes and summer

## What we have been doing this term:

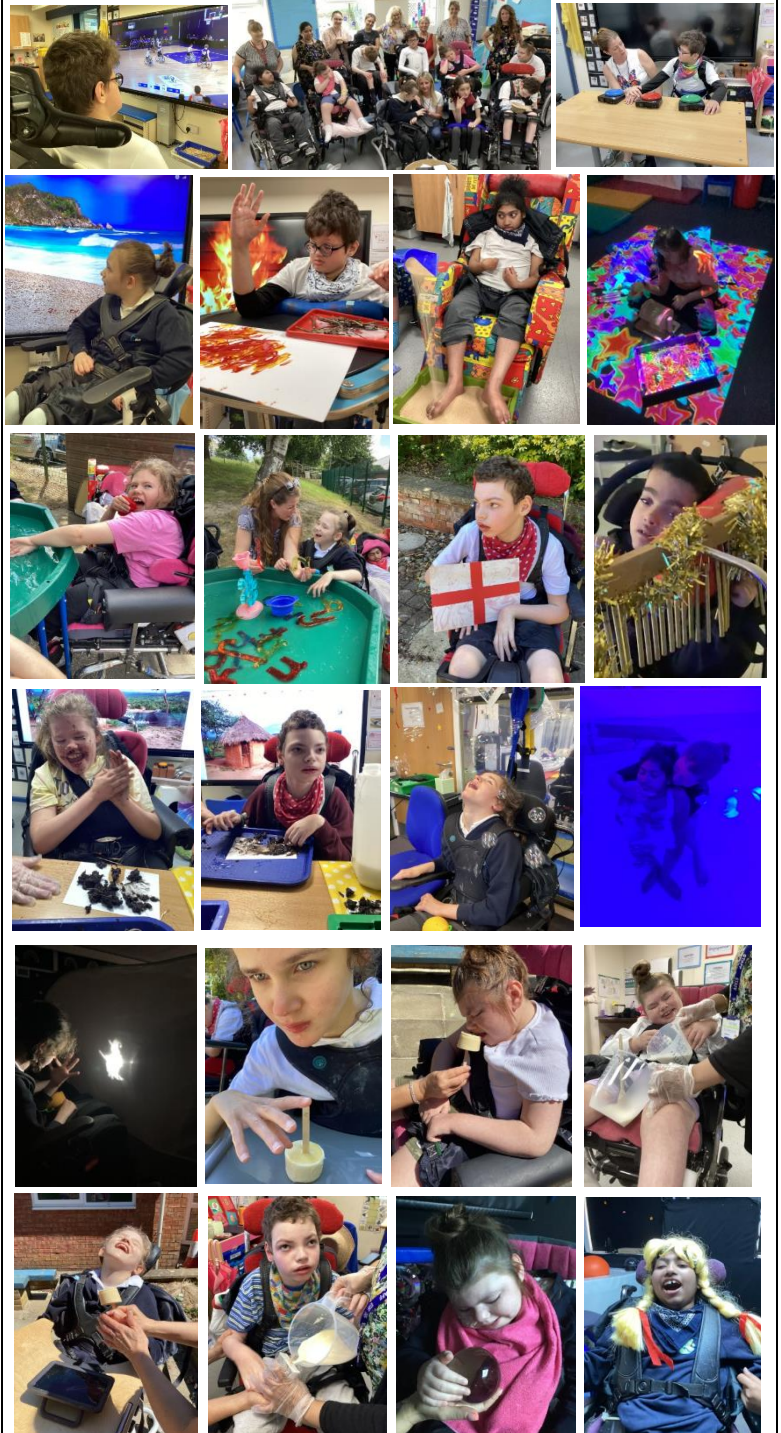

These past few weeks we have been extending what we learnt at the start of the summer term about different materials and their basic properties and have been thinking about different types of homes such as igloos, mud huts, tents, caravans, and house boats and comparing them to our own homes in our sensory story 'were going to a new house' which took us on a journey across the world and back to our own homes.

In focus group we explored the elements of the homes and the lives lived in them such as ice, mud, straw, water and sleeping bags.

In art we made mud huts and igloos, which allowed for some fun cooking sessions making – mini milk ice creams and exploring them as they melted.

As well as all of this we celebrated our Dads for Father's Day, the European finals in the under 23's Wheelchair Basketball and the football during the Euros. We also said a sad farewell to our lovely Music Therapist, Cathy. We then ended the term thinking about summer and what we may experience during the school holidays including sand, sun cream, warmth, ice lollies and dare I say...sun!?

## Some photos of us!

## Dates & Points to remember:

Last day of term: Wednesday 24<sup>th</sup> July

First day back: Thursday 5<sup>th</sup> September
